

# INDUSTRIAL PARK & BUSINESS PARKS

Aplin & Martin Consultants Ltd. has provided planning, civil engineering and survey services (through Murray & Associates) for a wide range of industrial and business park developments throughout the Lower Mainland. Services include preliminary and detailed design, feasibility and detailed cost estimates, servicing, grading, stormwater management and pump stations. Several recent projects have obtained or are pursuing Leadership in Energy and Environmental Design (LEED) certification.

Light Industrial Park, Mission

Gloucester Industrial Estates, Langley

Bear Creek Industrial Park, Surrey
